Desks

How to order a desk

The SQart system requires ordering in component form:

- a desktop with a fixed frame
- a base (legs)

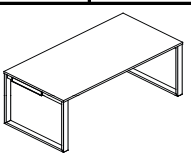

The structure of the desk makes it possible to use various leg types with the same frame – please note that the base and desktop depth dimension should match.

The following is an example shows how to order a desk:

When ordering a desk with a 180x80 cm desktop and "O" legs, select the **WNSR12LNNZ** desktop and the **WNSNBC6N1NN** base.

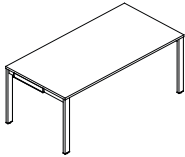

A desk order will therefore comprise two reference numbers:

WNSR12LNNZ (desktop) and **WNSNBC6N1NN** (base)
